X (By Regular Mail) I am "readily familiar" with the firm's practice for collection and process of correspondence for mailing. Under that practice, it would be deposited with the United States Postal Service on that same day with postage thereon fully prepaid at San Francisco, California, in the ordinary course of business. I am aware that on motion of the party served, service is presumed invalid if postal cancellation date or postage meter date is more than one day after deposit for mailing affidavit.

X (By Electronic Mail) I sent a true copy of such document(s) via email transmission of PDF files to the email addresses listed above.

1
2 I declare under penalty of perjury under the laws of the State of California that the
3 foregoing is true and correct.

4 I declare that I am employed in the office of a member of the Bar of this Court, at whose
5 direction the service was made.

6 Executed this 5th day of March, 2008, at San Francisco, California.
